P.C.

. Heard the learned Additional P.P.for the State. We have perused paragraph No.5 of the order dated 14th October,2004 passed by the Division Bench, wherein it is explicitly clear that there has been a dis-obedience of an order passed by this Court and there is an observation that there was an attempt to circumvent the orders passed by this Court and to exploit undue benefits and to cause prejudice to the rights of the other parties. If that be so, it would not amount to a criminal contempt and it will only be a civil contempt. Accordingly, the matter be placed before an appropriate bench taking civil contempt.
